## About the Aquarian Salon

By co-founder Risa D'Angeles, August 2024<sup>1</sup>

Last year (2023) a handful of us who have participated in WTT for many years, inaugurated a new program on Zoom - the Aquarian Salon.

We thought to have a global collaboration and invite everyone around the world to participate. We wanted an open virtual interchange.

The Salons would happen 4 times a year, one salon per season & gathered under three astrological signs. The salons follow the astrological cycles.

The atmosphere is to reflect the salons of earlier times - in the 17th & 18th centuries of Italy, France and all over Europe. Those salons opened invited people to come out of their homes and gather in one place in a town or city and begin to communicate with each other about politics, music, art & philosophy.

Our Aquarian Salon is many things, just like the salons in Europe used to be. It's a gathering of interested and interesting people.

There is music interspersed throughout.

There's astrology, art, symbols, paintings, and wisdom teachings.

And there is discussion among those who have gathered together - So the salon is a conversation, voices from many countries.

It's a unique experience that hasn't occurred before.

It offers everyone an experiment, an experience and calls forth everyone expressions and responses.

Not only do we have music, but the salon includes astrology, images, symbols, paintings, wisdom teachings, history and culture.

Together we are a support team that builds up the ambience of the salon.

And lots of preparation is done beforehand.

It's not possible to communicate the depth of the salon.

When witnessed the people who attend are surprised at the depth & beauty of the salon, the teachings, the paintings, the music, the sharing.

We use music to tune in, prayer to align, and symbols to enter into an understanding of the wisdom teachings.

A warm ambience in the group is created.

Most important is that we reach out to people who might not yet be familiar of the teachings of the masters.

People are invited to gaze at the paintings & respond to what they see.

A sense of community & a warmth of interchange is created.

It is a non-intellectual, non-mental approach.

We go directly to an experience level.

Everyone is invited to the salon, which is a time of sharing perspectives, a time of recognition and of praise for the artists. This is our Aquarian Salon, which offers a new way of coming together in the new era of humanity.

Our salon is about the people who show up. People sharing and making contact with each other. In an atmosphere of curiosity, friendship and love. Creating stimulating conversation, sharing ideas.

Our Salon is a conversation of art astrology & the wisdom teachings. Our Aquarian Salon offers a new way for people to come together. It reflects the new Aquarian for humanity.

There is a display of esoteric graphics & paintings. And everyone is invited to respond to the paintings. This creates an exchange which is a Gemini & Mercury experience.

---

<sup>1</sup> Due to her personal life situation, Risa had to withdraw from the project team. The activities of the Salon will go on in the spirit.

In a Salon atmosphere, everyone's voice is important and heard. And there is praise and recognition offered. For that IS all that matters - praise & recognition & love.

Most of all we invite everyone to have fun together. May we all be happy, feel safe to talk, and be at ease. Making contact which releases love. Shaking ourselves free from any preconceived ideas or limitations & having fun together. In our Aquarius Salon.

We also hope everyone will have fun together. Our prayer for the event and all those involved.

*May we all be happy together. May we share & enjoy together.*

*May we all feel safe to talk together. May we all feel at ease together.*

*May we make contact that releases love together. Let no malice prevail.*

*May we shake ourselves free from judgments, criticisms, preconceived ideas fear & limitations together.*

*May we praise one another and have fun together.*

*Creating happiness & joy together. Together in our Aquarian Salon."*
